in Wirder to Beria d'own Certificate. dila Januarya de fener sec<u>ul en</u> t

The books for the registration of voters for the town of Newberry are now open, as will be seen from the the first day of December.

Doubtless there are many voters in last election and many more who have become of age since that time. All of these will have to secure registration certificates from the County Board, before they will be allowed to register for Prayer meeting at the First Baptist the fown election. The only opportunity that voters will have to get county certificates, either new ones or renewals, will be on the first Monday in October. So, if you have not a county certificate this matter had better be attended to at once, or you will be deprived of a vote in the town election. Look this up and attend to it at once.
